

SARI TANI DESA
SDN. BHD.

COMPANY PROFILE

Bringing The Goodness Of Herbs From Tradition To A New Generation.

Sari Tani Desa Sdn. Bhd. is a herbal product manufacturer that combines experience, innovation and quality control to produce products for the modern market.

Herbs For A Better Life

ABOUT US

Since 1977 – A Journey With Herbs.

Founded by Tuan Haji Sheikh Mohsin bin Sheikh Marie in 1977, Sari Tani Desa has manufactured a wide range of OEM products throughout its history. It began with office services and manufacturing its own products.

Today, Sari Tani Desa also offers OEM contract manufacturing and consulting solutions for many industry needs, such as herbal formulation, packaging advice and product registration.

The company is actively engaged in research and development for customer products. With over 20 years of experience, Sari Tani Desa has created customised, unique formulations that meet each client's specifications, timelines and National Pharmaceutical Regulatory Agency (NPRA) requirements.

Our products are clean and safe, backed by HALAL certification and GMP status. Our manufacturing technology and services are continuously optimised, and we regularly review our capabilities and capacity so every product is made to a consistent standard.

EXPERTISE

Herbal OEM manufacturing

Timeline

1977 The Beginning

Starting from a foundation of herbal knowledge and use.

Growth

Broadening our experience in herbal product manufacturing.

Modern Era

Adopting more systematic processes, facilities and production methods.

Today

Providing herbal manufacturing and OEM solutions for a wide range of brand needs.

WHO WE ARE

More Than A Manufacturer.

Herbs

Knowledge and experience in herb-based products.

Formulation

Product development and formulation support.

Manufacturing

Production facilities for many product categories.

OEM Partnership

Working with brand owners from idea to finished product.

OUR PHILOSOPHY

Herbs. Innovation. Quality.

Heritage

Valuing the knowledge and experience built over the years.

Innovation

Adopting new ideas and approaches to meet market needs.

Quality

Paying attention to every stage of the production process.

STANDARDS & QUALITY

Built On Standards. Controlled With Care.

GMP Certified

Production that follows Good Manufacturing Practice requirements.

Halal

Trusted and meeting the relevant halal certification requirements.

Quality Control

Quality control throughout the production process.

Product Safety

Attention to product safety and consistency.

OUR SERVICES

Herbal Manufacturing Solutions For Your Brand.

Contract OEM (Traditional)

Traditional product manufacturing for your brand — capsules, ointments, lotions, creams, inhalers, homeopathy and herbal tea — in a GMP certified facility.

Capsules · Ointment · Lotion · Cream · Inhaler · Homeopathy · Herbal Tea

Contract OEM (OTC External)

Manufacturing of external-use OTC products — ointments, lotions and creams — formulated with selected herbal ingredients for your brand.

Ointment · Lotion · Cream

Contract OEM (Cosmeceuticals)

Herbal skin, hair and body care products for your cosmetic brand, including support for NPRA cosmetic notification.

Skincare · Haircare · Bodycare

Herbs Supply & Grinding Services

Supply of high-quality herbs as raw material or powder, plus grinding services — send your own herbs or hand the whole process to us.

Raw · Powder (Fine Grind) · Powder (Extract)

HALAL Certified Manufacturer

Recognised by JAKIM as a halal product manufacturer — from ingredient selection to production facilities and halal registration support for your brand.

HALAL Registration · HALAL Material · HALAL Facilities

Advisory Services

Technical advisory for the herbal industry — formulation, herb function and usage, packaging design and NPRA product registration.

Herbs Formulation · Advisory on the usage of herbs · Design & Packaging · Product Registration NPRA (MAL Traditional (Oral & External), OTC (External), Cosmetics Notification (NOT))

Others

Additional services to complete your brand — creative design, manual packing and speciality products such as home care, baby & maternity care and body scrubs.

Creative Design & Social Media · Labour Packing Services · Household Care · Baby & Maternity Care · Body Scrub (Spa & Wellness)

WHY SARI TANI DESA

A Manufacturing Partner You Can Trust.

Over 45 Years Of Experience

Starting as a small herbal business in 1977, we understand herbs from raw material to finished product.

GMP Certified Facility

Ready to manufacture traditional products for companies without their own GMP certified facilities.

Halal Manufacturer

Recognised by JAKIM as an approved halal product manufacturer.

Shared Knowledge

We share knowledge and tips on herbal health products with every client.

Quality Control

Every product leaving our factory meets the standards that have been set.

Transparent In Business

Transparency is the key to our success — we hold firmly to our ethics to keep our clients' trust.

OEM PROCESS

From Idea To Finished Product.

01

Concept Discussion

Share your product idea, target market and budget with our team.

02

Formulation & Samples

We develop or review your formula and prepare samples for evaluation.

03

Design & Packaging

Decide the dosage form, packaging materials and label design for your brand.

04

Registration & Compliance

Preparing NPRA registration documents (MAL or cosmetic notification) and halal requirements.

05

GMP Production

Products are manufactured and packed in a GMP certified, halal recognised facility.

06

Quality Check & Delivery

Quality checks are carried out before the finished product is handed over to you.
